

AHA!'s Littlest Little Farm

New session begins April 3, 2021: ENROLLING NOW!

Teens: learn biodynamic farming skills in a fun, supportive, caring community!

PROGRAM DETAILS:

- Participating teens meet one Saturday a month for three months (total of three farm visits, 2.5 hours a shift).
- Four to six teens at a time working with one AHA! facilitator.
- Community service hours or a \$75 stipend is paid to teens who fulfill contract agreement.
- First come, first served—limited spots available.
